Helping Members Schedule Important Preventive Care

July 2, 2009

Dear Provider:

Effective **July 13, 2009**, WellCare is partnering with Care Management International (CMI) to help our members schedule and receive important preventive care.

In the coming weeks, you will receive either a phone call or a fax from CMI and/or WellCare asking for your assistance in scheduling appointments for certain members.

What You Need To Do

When you are contacted, please help your patient set up an appointment to receive the needed tests/ screenings.

If you receive a fax form, please reach out to the member(s) according to the contact information provided.

CMI and/or WellCare will follow up within four weeks of their initial contact with you to determine if the member has been seen or if they have a scheduled appointment.

Thank you for your continued participation and cooperation in our ongoing efforts to render quality health care to our members. We look forward to helping you provide the highest quality of care.

For questions regarding this notice, please contact your Provider Relations representative.

Sincerely,

WellCare Health Plans, Inc.
